

OPPORTUNITY FOR INCREASED FARM BUSINESS EXPOSURE

Androscoggin Valley Soil and Water Conservation District tried developing a brochure with a farm director and a location map. Funding this endeavor proved to be very costly and we found no grants were available to cover the costs. The price tag per farm would have been over \$100.

The Conservation District still wants to give you the opportunity to have an increased farm business exposure and have decided the way to do that would be to make a "Support Local Farms" page on our website where you can have a listing. This page will be developed. You may see our website at www.androscogginswcd.net. Your fee for the ad will help cover our website costs and other District programming.

Our annual fee structure would be as follows:

- Name, Contact Information and Farm Location: \$10 for season; \$25 listing for year
- Name, Contact, Farm Location and business description (i.e. products sold), \$40
- Name, Contact, Location and business description (i.e. products sold) linked to your farm's website: \$50

Response Information Form:

Contact Name: _____ Phone: _____

Farm/Farmstand Name:

Mailing
Address: _____

Physical Location:

Town _____ State _____ Zip _____

Months/Days open _____ Hours open _____

Product(s) Sold
Description _____

Fee Level Cost Desired \$ _____ Farm Market Participation _____

Pick Your Own _____ Organic _____ Native _____ CSA _____ WIC Approved _____
